

Asa's Stubbornness (2 Chron. 16:1-14)

- Too Stubborn to call upon God (Vs. 1-3)
- Too stubborn to accept counsel (Vs. 7-10)
- Oppressed God's people (Vs. 10b)
- Too Stubborn to call upon God even when there was no other options open to him (Vs. 12)

What we can Learn from Asa

- We can backslide even after many years of faithfulness
- We can't rest on what we have done
- Our faith must grow
 - He started well (2 Chronicles 14:6-7)
 - But he failed to grow. Why?
 - Idols? Too busy? Pride? Unbelief?
